That time works for us, Calvin.

I am looping Mary Ellen in, as I'd like her to participate as well.

Requesting their questions in advance would be particularly helpful.

Hi Shari,

Per Natalie's request below, we are setting up a call with CES to discuss their questions regarding the site characterization evaluation and would like Cadmus to participate in this call. Will next Friday (8/28) from 10AM-11AM PST work for you?

I am going to ask them for a list of their questions prior to the call.

Thanks,  
Calvin

**Subject:** Meeting re. CES Technical Review Letter

Hi David and Calvin,

Thank you again for taking the time on Wednesday to discuss the next steps of the review process for the Class VI Permitting Application.

Would it be possible to set up a meeting next week to discuss questions that the technical team has with respect to the Technical Review Letter (August 19, 2020)?

If you let me know your availability, I can set up the meeting.

Hope you have a nice weekend and that your aren't heavily impacted by the recent fires in California.

Best regards,  
Natalie
